Laterna Estiatorio & Catering
47-20 Bell Blvd, Bayside, NY 11361

Raffle Donation Request

For Our Friends is an all-volunteer, no-kill, 501c3 rescue group. For nearly three decades, For Our Friends has worked tirelessly to provide for, rescue, and rehabilitate homeless animals.

We focus mainly on helping the pets that are being euthanized in huge numbers each day, which sadly includes senior pets, pets with health issues that make them harder to adopt out, and “bully breeds” - so misunderstood, yet full of so much love.

Every pet we rescue is given a thorough medical and behavioral evaluation, is spayed/neutered, and is microchipped before being placed for adoption. Medical care is provided for every condition – sparing no expense. No pet is ever euthanized because of medical care needs. We are proud of our low return rate, though we pledge to not only take back pets that can't adapt to their new home but also those, regardless of the time elapsed, whose owner's circumstances changed and cannot keep them any longer. This is our never-ending mission. The need is always present, and it can sometimes be overwhelming.

Please support our fundraisers by donating a raffle prize. Your contribution helps us raise vital funds to continue our important work. Please help us help us by donating a raffle prize for our upcoming luncheon being held Sunday, November 17th, at Laterna Estiatorio & Catering, Bayside, NY.

Your generosity will be graciously acknowledged at our fundraiser.

For donation pickup, please e-mail FOFDogRescue@yahoo.com. We kindly ask that donations be received by Sunday, October 27th.

We are grateful for your kind consideration of this request.
