Raffle Donation Request

Dear Compassionate Friend,

For Our Friends is an all-volunteer, no-kill, 501c3 rescue group. For nearly three decades, For Our Friends has worked tirelessly to provide for, rescue, and rehabilitate homeless animals.

We focus mainly on helping the pets that are being euthanized in huge numbers each day, which sadly includes senior pets, pets with health issues that make them harder to adopt out, and “bully breeds” - so misunderstood, yet full of so much love.

Every pet we rescue is given a thorough medical and behavioral evaluation, is spayed/neutered, and is microchipped before being placed for adoption. Medical care is provided for every condition – sparing no expense. No pet is ever euthanized because of medical care needs. We are proud of our low return rate, though we pledge to not only take back pets that can't adapt to their new home, but also those, regardless of the time elapsed, whose owner's circumstances changed and cannot keep them any longer. This is our never-ending mission. The need is always present, and at times, it can be overwhelming.

Through the sale of raffles during our upcoming luncheon, we will be able to raise additional funds so that we can continue to do the work we do. Please help us help us by donating a raffle prize for our upcoming Fall Luncheon being held Saturday, October 21st at St. Frances Center, in Garden City, NY.

Your generosity will be graciously acknowledged at our fundraiser.

For donation pickup, please e-mail FOFDogRescue@yahoo.com. We kindly ask that donations be received by Saturday October 7th.

We are grateful for your kind consideration of this request.
